

### **YSGOL Y GRAIG'S ACTIVE TRAVEL POLICY**

At Ysgol Y Graig, we encourage pupils and parents to travel to school by cycling, scooting and walking wherever and whenever possible. This is known as Active Travel.

This school travel policy explains how we will be encouraging active travel to school. We will discuss the policy with the pupils and re-visit it periodically to ensure its relevance. For pupils unable to travel to school actively, we encourage use of public transport or carshare.

If you have any ideas to improve things at or around school for pedestrians and cyclists, or questions about travelling to school, please get in touch with Mr. Aylward.

Ysgol Y Graig is a nurturing school and our ethos is underpinned by six principles of nurture. One of the principles is:

- Transitions are significant in the lives of children.

This policy actively promotes healthy, positive transitions between home and school which benefits the emotional and mental health of our learners.

Some of the benefits of active travel are:

- improving both mental and physical health through physical activity
- establishing positive active travel behaviour
- promoting independence and improving safety awareness
- reducing congestion, noise and pollution in the community
- reducing the environmental impact of the journey to school
- a time to catch-up with friends or family before arriving at school.

To encourage pupils to cycle, walk or scoot to school frequently the school will:

- actively promote cycling and scooting as a positive way of travelling.
- celebrate the achievements of those who cycle and scoot to school.
- provide cycle and scooter storage on the school site.
- provide high quality cycle training to all pupils who wish to participate.

To make cycling and scooting to and from school a positive experience for everybody concerned, we expect our pupils to:

- ride sensibly and safely and to follow the Highway Code.
- check that their bicycle or scooter is roadworthy and regularly maintained.
- behave in a manner which shows them and the school in the best possible light and to consider the needs of others when cycling or scooting.
- consider wearing a cycle helmet for improved safety.
- ensure they can be seen by other road users, by using lights and wearing high-visibility clothing, as appropriate.
- Junior Road Safety Officers patrol the roads outside of Ysgol Y Graig to make sure the approach to Ysgol Y Graig is as safe as possible.

For the wellbeing of our pupils, we expect parents and carers to:

- encourage their child to walk, cycle or scoot to school whenever possible
- encourage their child to take up opportunities to develop their competence and confidence in walking, cycling or scooting
- consider walking, cycling or scooting with their child on the school run, possibly joining with other families as a 'cycle bus' or 'walking bus'.
- provide their child with equipment such as wet weather clothing, high-visibility clothing, lights, a lock and cycle helmet as appropriate
- ensure that the bicycles and scooters ridden to school are roadworthy and regularly maintained.

Please note that:

- The decision as to whether a child is competent to cycle, scoot or walk safely to and from school rests with the parent(s)/carer(s). The school has no liability for any consequences of that decision.
- This policy covers the journey to and from school where the school has no responsibility or liability. When walking, scooting and cycling activities are being led by the school there may be additional rules and guidance concerning equipment such as use of helmets, high visibility clothing, etc.
- Parents are advised to consider appropriate insurance cover (check home insurance) as the school is not liable for, and its insurance does not cover, any loss or damage to bicycles and scooters being used on the way to or from school.
