

School Uniform Policy
November 2018.
(Reviewed in 2019)

1. Aims

The aims of this policy are:

- to explain the school's rationale for school uniform;
- to state various responsibilities;
- to set out the uniform code;
- to explain consultation requirements;
- to set out the school's policy for ethnic dress and religious symbols; and
- to ensure that the school's policy on equal opportunities is observed.

2. Rationale for School Uniform

The school recognises the value of having a school uniform for the following reasons:

Safety – If all the students in our school wear a clearly recognisable uniform it is easy to identify strangers. On the way to and from school it also affords a degree of safety as the students are part of a large body of young people and will look out for each other.

Preparation for the future – Many jobs require staff to wear a uniform and even if there isn't a uniform there is often a dress code. School uniform helps young people get used to dressing to a prescribed standard. It also helps them know the difference between formal and informal dress.

Value for money – Good quality school uniform is a relatively cheap way of dressing young people for school.

It makes the mornings easier – Students only have to think about their uniform and not alternatives.

Ready for work – Putting on school uniform is a signal you are going to work.

A sense of pride – We all feel proud of our young people when they are well dressed in school uniform. Uniform and team kits also help students to demonstrate pride in their school.

3. Responsibilities

The Governing Body will:

- determine the uniform requirements, taking into account the cost;
- periodically consult parents and students on the cost; and
- determine whether there should be a remission of the cost of the uniform for some students.

The Head will:

- ensure that the requirements are published to parents, students and staff;
- ensure that the requirements and policies on cost and remission of cost are clearly set out in the school brochure and website; and
- determine the action to be taken for breaches of the uniform code.

Parents will ensure students have the correct uniform.

Students will wear correct uniform at all times.

Staff will enforce uniform regulations at all times.

4. Consultation

Modifications or changes to the school uniform will be subject to a period of consultation not less than one term before the changes are introduced.

The following groups will be consulted:

- School Council
- Staff
- Parents
- (in the case of ethnic dress) SACRE and local community leaders.

Periodically the governing body will consult representatives of parents and students on the cost of school uniform.

5. The Uniform Code

It is the school's aim to ensure that the cost of buying the uniform is reasonable.
